Verse 1 D D UU DD

C/G** **G****
The clouds move over Pontiac skies

C/G** **G****
Their silent thunder matches mine

C/G** | **G - G/F# | Em7* |**
I know this feeling from long ago

C/G** **D/A****
I wondered was it gone but now I know

Pre-Chorus

Em7*	D/A*	C/G**	
So when she calls don't send her my way			
Em7*	D/A*	C/G*	Cmaj7/G* (hold)
When it hurts you'll know it's the right thing			

Chorus

Em7*	G*	C/G**
Michigans in the rear view now		
Em7*	G*	C/G**
Keep your hands where I can see em		
Em7*	G*	C/G**
You took the words right out my mouth		
Em7*	G*	C/G**
When you knew that I would need em		
Em7*	G*	C/G**
What am I supposed to do now?		
G**	D/A**	
Without you, without you		

[illegible]

Em9*	D/A*	G**

C/G**	G**
It's unannounced, like you'd expect it	
C/G**	G**
Among broke down brake lines and Motown records	
C/G**	G - G/F# - Em7*
And all thats left is a blind reflection	
C/G**	D/A**
But you know what's coming and you regret it	

Em7*	D/A*	C/G**
So	when she calls	don't send her my way
Em7*	D/A*	C/G**
When it hurts	most	its the right thing
